3. General description:

Cooling, refreshing and invigorating gel for body care.
Essential oils provide a pleasant scent and invigorating freshness.
Especially arnica extract cares for stressed skin.

4. Safety instructions:

Horse Balm contains essential oils, menthol and camphor.
Essential oils can cause irritation on sensitive skin. Please avoid eye contact. Should any product gets into the eyes, clean with plenty of water and consult a doctor.
Not fit for babies and small children.
Avoid contact with mucous membranes.
Do not use on open wounds or skin which prone to eczema.

5. Other:

Our „Pferdebalsam“ Quality Guarantee:

We only use high quality plant extracts and essential oils that undergo a strict quality control by our laboratory.

The water used for “Pferdebalsam” undergoes a special microbiological and chemical treatment.

All our products are produced and packed under conditions according to Cosmetic GMP and Quality Management Systems (DIN EN ISO 22716, DIN EN ISO 9001, DIN EN ISO 13485).

The product complies with the requirements of the regulation of the Federal Republic of Germany and therefore contains no toxins. The manufacturer declares that shelf life is given according to the regulations, under proper conditions, at least 30 months.
